Investing for Success

Under this agreement for 2016
Hayman Island State School will receive $7,582*

This funding will be used to

- Guarantee 100% of Early Years students achieve year level targets at or above school benchmarks in reading.
- Achieve at or above the identified target of 66% of students in the Upper 2 Bands in Year 3 NAPLAN – Reading.
- Provide opportunities for the lower primary students to explore local learning experiences outside of the school precinct to deepen their understanding of scientific concepts.
- Build staff capacity through involvement in regional professional development opportunities.

Our initiatives include

- Develop a deeper understanding of the use of data to support beginning teachers to effectively use data to inform targeted teaching.
- Develop a whole school approach to teaching literacy to support the teaching of literacy across all learning areas.
- Provide education for parents of Early Years students to support the development of oral language and early literacy and numeracy skills at home.

Our school will improve student outcomes by

- Engaging the services of a qualified Early Years Educator to implement Age Appropriate Pedagogy within the Early Years Classroom.
